PhysicalFIT Screen Basic Certificate Workshop January 11, 2019

This seminar includes a balance of lecture and hands-on lab sessions to learn how to administer a PhysicalFIT Screen from start to finish. Attendees must demonstrate competency by observing a series of videos of worker models who are performing the functional performance tests. Attendees will also learn how to create individualized reports that identify follow-up recommendations to promote suitable physical activity and reduce risks for musculoskeletal disorders and related disability.
